

Ghostmother (Instrumental Version)

Moderat

I walk in-between
What do I see
Blank-eyed angel
Staring through meThe room filled with stars
On astrology cards
Porcelain figures
Of what used to beThe ghosts that haunt
Were in there with me
I walked to the edge
And all the fear left meI went to the grass
Searching to hide
The song's clear and
Dazed from my mindThe ghosts that haunt
Were in there with me
I walked to the edge
And all the fear left meThe ghosts that haunt
Were in there with me
I walked to the edge
And all the fear left meOh, I saw it
Standing in a sigh
Went through the grass
And there on the edge
All the fear left meWhoa, I saw it
Standing in a sigh alone
I ran through the grass
And there on the edge
All the fear left meI ran through the grass
And there on the edge
All the fear left meI ran through the grass
Jumped off the ledge
All the fear left me
