Go Hard (La.La.La)

[Kreayshawn](#)

Hey bitch, what's up?
You know I'd really like to do that
But I don't have any fucking money
Like I don't have any fucking money!
Chorus:
Hey bitch, do you really really wanna go hard?
Go in the crib, steal your step father's credit card
And take the car and do circles in the parking lot
Scream at the top of our lungs like la la la
La la la la la la la la la
La la la la la la la la la
We on the la la la la la
We on the la la la la la
Bitch, I see you working at the mall at forever 21
Selling tanks and schaals
You wanna quit your job? You need a place to go?
Girl, run your own show, but don't be on some hoe shit
Bounce with something cute on, I kiss into a fog zone
I'll be really off and searching for some water though
What it do? Let it go, and go hard!
Let me see you do it, go hard, like real hard!
Chorus:
Hey bitch, do you really really wanna go hard?
Go in the crib, steal your step father's credit card
And take the car and do circles in the parking lot
Scream at the top of our lungs like la la la
La la la la la la la la la
La la la la la la la la la
We on the la la la la la
We on the la la la la la
Do it like, do it like, let me see you go hard, go hard!
Girl, you need that new, bottles on chill
I got gold chain flu, little lady on my side, show me how you ride out!

Be a good one, and I'll take you to my hideout!
Pretty little bitch, dripping like some water though
I'll be on that stroll, and coming for that low low
What I did? let he go! She's back now
She went real hard until she threw her back out!

Chorus:
Hey bitch, do you really really wanna go hard?
Go in the crib, steal your step father's credit card
And take the car and do circles in the parking lot
Scream at the top of our lungs like la la la
La la la la la la la la la
La la la la la la la la la
We on the la la la la la
We on the la la la la la
Silly girl, take your jacket off
Get off the floor, go hard!
Go hard, go hard, go hard, go hard, go hard!
Do it like, do it like, do it like!
Let me see you go hard, go hard, go hard, go hard!
Chorus:
Hey bitch, do you really really wanna go hard?
Go in the crib, steal your step father's credit card
And take the car and do circles in the parking lot
Scream at the top of our lungs like la la la
La la la la la la la la la
La la la la la la la la la
We on the la la la la la
We on the la la la la la
Do it like, do it like, do it like!
Let me see you go hard, go hard, go hard, go hard!
Go hard, go hard, go hard, go hard!
Do it like, do it like, do it like!
Let me see you go hard, go hard, go hard, go hard!
Go hard, go hard, go hard, go hard!
