

# Come On To Me

## Paul McCartney

I saw your flash smile  
That seemed to me to say  
You wanted so much more than casual conversation  
I swear I caught a look  
Before you turned away  
Now I don't see the point  
Resisting your temptation  
Did you come on to me  
Well I come on to you  
If you come on to me  
Well I'll come on to you  
I don't think I can wait  
Like I'm supposed to do  
As soon can we arrange  
Formal introduction  
We need to find a place  
Where we can be alone  
To spend some special time  
Without an interruption  
If you come on to me  
Well I'll come on to you  
If you come on to me  
Well I'll come on to you  
Before you grab your coat  
I'll try to be discreet  
You know we can't be seen  
Exchanging information  
(Well)  
I saw your flash smile  
That seemed to me to say  
You know there's some much more than casual conversation  
If you come on to me  
Then I'll come on to you  
If you come on to me  
Then I'll come on to you  
If you come on to me  
Well I'll come on to you  
If you come on to me  
Well I'll come on to you

If you come on to me  
Then I'll come on to you  
If you come on to me  
Then I'll come on to you  
If you come on to me  
Then I'll come on to you  
If you come on to me  
Then I'll come on to you

Yes I will

Yes I will

Yes I will

Now

Yes I will

Yes I will

Yes I will

Now

(Aha)

(If you)

If you come on to me  
Then I'll come on to you  
If you come on to me  
Then I'll come on to you
