# Withdraw

## Kimbra

Now I can't spend a minute
Now I can't steal the time
I've lost all my friends like money
I've lost all my men to the sky

Can't keep your loving from my mind
It's worth more than gold, crystals and pride
Ready to shake these stars from me

But I can't withdraw your heart from mine
No, I can't withdraw your heart from mine
No, I can't withdraw your heart from mine

I never knew what your love could do
I blew it all away
Thought I could satisfy the yearning of my
Heart shaped hole on hold for you

Never learned to hold on
I hold too tight and have to let go
But there's no love, no love,
There's nothing to take your place

Now I can't spend a minute
Now I can't steal the time
I've lost all my friends like money
I've lost all my men to the sky

I can't keep your loving from my mind
It's worth more than gold, crystals and pride
Ready to shake these stars from me

Oh, I can't withdraw your heart from mine
You're the one thing that sticks right onto my side
No, I can't withdraw your heart from mine
How'd I get so stuck, so stuck to your side?

No I can't withdraw your heart from mine
You're the one thing that sticks, right into my side
I can't withdraw your heart from mine.
