My Greatest Need

I Am Alpha and Omega

To Him who knows my greatest need, I'm sinking fast in seas of fear, To Him who fills the sky at night, My heart is weak, My lungs collapsed,You gave me grace, My heart betrayed, your loving arms,
You grabbed my hand, I pulled away, and lost Your eyes,To Him who knows my greatest need, I'm sinking fast in seas of fear, To Him who fills the sky at night, My heart is weak, My lungs collapsed,
But i willl rise, I will find your eyes, I will run, against the wind.
But i willl rise, I will find your eyes, I will run, against the wind.You gave me grace, My heart betrayed, your loving arms, (your arms)
You grabbed my hand, I pulled away, and lost Your eyes, (your eyes)You gave me grace, My heart betrayed, (betrayed) your loving arms, (your arms)
You grabbed my hand, I pulled away, (I pulled away) and lost Your eyesYou gave me grace, My heart betrayed, your loving arms,
You grabbed my hand, I pulled away, and lost Your eyes,
