

Stand Up

Stella Soleil

Stand up
Jack was never a normal man
He never fit into the plan
Ain't as easy as it seems
When you're living the American dream
He wants to run away
Miles and miles and miles away
He walks to the boss's door
I'm never gonna work in this dump no more
Stand up, if you wanna be free at last
Stand up, if you wanna forget the past
Stand up, if you're living your life too fast
Stand up, come on just have a blast
Na, na na na na, na, na na na
Na, na na na na, na, na na na
We've got the right to love
We've got the right to funk
Until we've had enough
Na, na na na na
Stand up
We've got the right to life
We can stay up all night
Just stand up for your right
Na, na na na na, na, na na na na
Stand up
She was never a normal girl
Didn't fit into their world
She sang to pass the time
While she saved to make a dime
But then she ran away
Miles and miles and miles away
Never paid to hear her songs
Of love, just sing along
Na, na na na na, na, na na na
Na, na na na na, na, na na na
Stand up
We've got the right to love
We've got the right to funk
Until we've had enough

Na, na na na na
Stand up
We've got the right to life

We can stay up all night
Just stand up for your right

Na, na na na na
Stand up
We've got the right to love
We've got the right to funk
Until we've had enough
Na, na na na na

Stand up
We've got the right to life
We can stay up all night
Just stand up for your right
If you wanna live it
If you wanna it now
If you wanna kick it
Then get up off the ground

Stand up
If you wanna live it
If you wanna it now
If you wanna kick it
Then get up off the ground

Stand up
We've got the right to love
We've got the right to funk
Until we've had enough
Na, na na na na

Stand up
We've got the right to life
We can stay up all night
Just stand up for your right
Na, na na na na

Stand up
We've got the right to love
We've got the right to funk
Until we've had enough
Na, na na na na

Stand up
We've got the right to life
We can stay up all night
Just stand up for your right
Na, na na na na, na, na na na na

Stand up
