Love Song

Anberlin

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you

You make me feel like I am whole againWhenever I'm alone with you

You make me feel like I am young again

Whenever I'm alone with you

You make me feel like I am fun againHowever far away

I will always love you

However long I stay

I will always love you

Whatever words I say

I will always love you

I will always love youCome in with peaceWhenever I'm alone with you

You make me feel like I am free again

Whenever I'm alone with you

You make me feel like I am clean againHowever far away

I will always love you

However long I stay

I will always love you

Whatever words I say

I will always love you

I will always love you
