

Classico

Tenacious D

Cant you see he's the man,
Let me hear you applaud,
He is more than a man,
He's a shiny golden god.If you think its time to fucking rock,
And fucking roll, out of control,
Well then you know you've got to rock the block,
And fucking suck, My fucking cockCause when you rule, you fucking school,
All of the fools out of their jewels,
Cause if you think its time to,
If you think its time to,
If you think its time to fucking roooooock.He is going to kick your fucking ass,
And you know his name is Kyle Gass
Rocking and fucking rolling,
And fucking rocking, and fucking rolling
And fucking.....(JB SKIT)
