

Loving Cup

UFO

Early in the morning when the sun come up
I sat there drinking from your loving cup
Tell me pretty babe what can I do
Want to drink from your loving cup
On the Sunday morn you're acting funny
You should be working earning money
Slow down baby you move too fast
Want to come and catch ya laying in the grass

-

(instrumental)

Early in the morning when the sun comes up
Hey babe ya, your loving cup yeah
Tell me pretty babe what can I do
Want to drink from your loving cup

(instrumental)

Just want to drink from your loving cup yeah
Just want to drink from your loving cup yeah
