## Three Dog Night

Singer man sing me a song  
Singer man sing me a song  
Singer man sing me a song Do you want soul?  
Do you want soul?  
Do you want soul? I hear you singing, sing a morning  
I hear you singing, sing a morning  
I hear you singing, sing a morning Do you really want soul?  
Do you really want soul?  
Do you really want soul? Singer man sing me a song  
Singer man sing me a song  
Singer man sing me a song Do you really want soul?  
Do you really want soul?  
Do you really want soul? I hear you singing, sing a morning
