Set The Dial

Run Kid Run

Static ghts against the reel
Real is all I wanna feel
This feeling's got me off the ground
Transmitting love aroundWhen every thing's a little out of place
Make your move to escape
Set the dial and make it straight
A frequency we will createSo play a song of love
The song we want to hearWe are the radio
On to the world that's lost control
Let's turn it up so they all know
The song that's playing on theWe are the radio
On to the world that's lost control
Let's turn it up so they all know
The song that's playing on the radioLove is a movement
But our movement's slow
The reception on our radio
Is breaking in and out of owThe sound, it can not be concealed
Concealed is how we seem to feel
Let's break these airwaves, push it through
Free the signal, make a moveSo play a song of love
The song we want to hearWe are the radio
On to the world that's lost control
Let's turn it up so they all know
The song that's playing on theWe are the radio
On to the world that's lost control
Let's turn it up so they all know
The song that's playing on the radioYeah, take control
To the tune of what we know
Let sound waves show
We're letting goAt the top of my lungs
I'm gonna tell everyone
This is the sound
That sole surrounds, so turn it upI'm gonna dare to share
Open my mouth and declare
This is the sound
So play it loud into the airwaves nowAt the top of my lungs
I'm gonna tell everyone
This is the sound
That sole surrounds

This is the sound
That sole surrounds, so turn it up
