

Teasing to Please (Left Side, Strong Side)

Cute Is What We Aim For

And so typically, and so typically
Soft, set back and perfectly dropped
Tough and lean and so perfectly taught I am as he does, you are as she was
And that's because, and that's because
But you never try, but you never try 'Cause conflict and make your top pick
Restitch my ripped jeans and take the old ones
And take the old ones out back
Sew them tight at the seams, please
I've got so many ripped knees, ripped knees I'm selfish as selfish comes
You're giving me a run for my money, honey This is a hint that you take and you pull
And you find a way out of what you got yourself into
But when you try, but when you try to get out you'll never find That most definitely I will be attracted to you
If you pick my left side because you know how we do I'm selfish as selfish comes
You're giving me a run for my money, honey 'Cause conflict and make your top pick
Restitch my ripped jeans and take the old ones
And take the old ones out back
Sew them tight at the seams, please
I've got so many ripped knees, ripped knees I'm selfish as selfish comes
You're giving me a run for my money
I'm selfish as selfish as comes
You're giving me a run for my money, honey I'm selfish as selfish comes
You're giving me a run for my money, honey
