## In Spite Of

## **Saybia**

I aint as beautiful as you I aint as beautiful as you In spite of the fact That I aint noticed in a crowdI know it aint all bad I know that aint all bad If I look the right directionIn my mind In the castle where I am the king I will build up my arms Until I cross my borders to conquer the world On my one way crusadeI aint as clever as I seem I aint as clever as I seem In spite of the fact That I am learning every dayI know that aint all bad I know, it aint all bad If I look the right direction Oh, directionIn my mind In the castle where I am the king I will build up my arms Until I cross my borders to conquer the world On my one way crusadeOh, anybody there I sayI aint as beautiful as you I aint as beautiful as you But I may return though To see the beauty of it allI know that aint all bad I know it aint all bad If I look in the right directionIn my mind In the castle where I am the king I will build up my arms Until I cross my borders to conquer the world On my one way crusade, I saidI say Oh, I say I say, I sayThings aint always bad
