Make You Happy

Trey Lorenz

Uh hmmm
Ahh, ahh...Baby, I've been thinking 'bout you night and day.
I can't get you off my mind.
Seems to me, your man ain't giving what you need.
But I got it right here.
I can make you feel so right.Baby, let me make you happy,
Take you right in my Caddy.
If you want me, you can have me.
You can even call me daddy. (Call me daddy, baby)
Good loving, chocolate-covered,
Sweeter than a motha motha, (Mahh)
Make you never want another,
Freak you underneath the cover.
I can make you happy, if you want me to.
(Ahh, if you want me to)
Lemme make you happy like your man won't do.Baby you can tell me all your fantasies.
We can do whatever's on your mind.
All I wanna do is get you close to me.
Believe me, when I tell ya,
That, girl, you should be mine.
All mine...Baby let me make you happy,
Take you right in my Caddy. (Ooh girl)
If you want me, you can have me.
You can even call me daddy. (Call me daddy)
Good loving, chocolate-covered,
Sweeter than a motha motha, (Sweeter than a mah mah)
Make you never want another, (Oohhee)
Freak you underneath the cover. (All night...)
I can make you happy, if you want me to.
(If you want me, just the words and I'll come baby)
Lemme make you happy like your man won't do.
(Ahh, he won't do, he won't do, he won't do)
I can make you happy, if you want me to.
(We can ride...)
Lemme make you happy like your man won't do.
(Ahh)Girl, I wanna creep, with ya tonight,
(I just wanna get a bit closer)
There's so much we can do,
If you say it's alright.

(Sweet baby...)
I just wanna get deep into you,
(Can I get a little bit of your loving)
Come inside of your love, (Yeah, yeah)
You're the one that I touch. (Yeah, yeah)
Told you, (Hold you)
I can show you. (Show you...)
You should give me a chance.
Put yourself in my hands.
(Would you do that for me baby?)
I just wanna get closer to you. (Yeah)
Girl please say, (Sweet darlin')
That your body's callin' me too?
(Baby...)I can make you happy, if you want me to.
(Ooh, if you want me too,)
(if you want me too, if you want me too)
Lemme make you happy (Oh, baby)
Like your man won't do.
(Gonna do all the things that you want me to do, baby)Baby, let me make you happy, (Yeah)
Take you right in my Caddy.
If you want me, you can have me.
You can even call me daddy.
Good loving, chocolate-covered,
Sweeter than a motha motha,
Make you never want another,
Freak you underneath the cover.
I can make you happy, (Ahhh...)
If you want me to. (If you want me to)
Lemme make you happy like your man won't do. (Won't do)Ahh...
Ehh oh
Don't you wanna ride?
Don't you want, don't you wanna,
Ride.... in my Caddy...
