Many of Horror

Biffy Clyro

You say, I love you boy. But I know you lie. I trust you all the same. I don't know why. 'Cause when my back is turned, My bruises shine. Our broken fairytale, So hard to hideI still believe It's you and me 'til the end of time. When we collide we come together, If we don't we'll always be apart I'll take a bruise, I know you're worth it When you hit me, hit me hard. Sitting in a wishing hole, Hoping it stays dry. Feet cast in solid stone, I got Gilligan's eyesI still believe It's you and me 'til the end of time. When we collide we come together, If we don't we'll always be apart. I'll take a bruise, I know you're worth it. When you hit me, hit me hard. 'Cause you sat alone Just let us go against one

Our future's is for many of horror
Our future's is for many of horrorI still believe,
It's you and me 'til the end of timeWhen we collide we come together
If we don't we'll always be apart
I'll take a bruise, I know you're worth it
When you hit me, hit me hard.
