Do You Know Him

Lannie Robertson & Spirit Led

Real
He's real to me
Jesus is real to me

Real
He's real to me
Gives me the victory

Though some may doubt Him
I can't live without Him
He is real

In everybody's life
some rain must fall,
All you have to do
is lift your hands and call

He's real
Real to me
Jesus is real to me
He is real

He is the rock
hewed out the mountain,
meek and humble lamb,
Strong tower
He's the great I am

Strong Tower

Do You Know Him?
