I Am the Eternal Spectator

Moonspell

I am the eternal spectatorThe eternal stimulator
Of things that never come
Of things that never comeI am the eternal spectatorThe eternal ruminator
Of things better left alone
Of things better left aloneWatching over you
Sometimes inside of you
Watching over you
Sometimes inside of youThe eternal dictator
Of your perpetual distraction
The eternal collector
Of things that were never done
The eternal agitator
Of a war you never fought
The eternal demonstrator
Until you prove me wrongWatching over you
Sometimes inside of you
Watching over you
Long-dead inside of you.
