

# I Am the Eternal Spectator

## Moonspell

I am the eternal spectatorThe eternal stimulator  
Of things that never come  
Of things that never comeI am the eternal spectatorThe eternal ruminator  
Of things better left alone  
Of things better left aloneWatching over you  
Sometimes inside of you  
Watching over you  
Sometimes inside of youThe eternal dictator  
Of your perpetual distraction  
The eternal collector  
Of things that were never done  
The eternal agitator  
Of a war you never fought  
The eternal demonstrator  
Until you prove me wrongWatching over you  
Sometimes inside of you  
Watching over you  
Long-dead inside of you.
