

Whip It

Love and Death

Ye, ye, ye- Yela [x2]

[1st Verse]We hit the club, tore it up

Mally Mall's got model sluts

Fearin' and Loathin' in Las Vegas, party, party, bottles up!

I'm feeling like a king, someone tell me where my robe is?

This nitrous oxide got me feeling like Moses

Laughin' it up, laughin' loud

Twist it up until you tappin' out

But Yelawolf ain't throwing in the towel

Take a pull buddy, how you sound?

My voice feeling like I just swallowed a frog

I think I'm Mr. T, I think I'm Boss Hog

(Get, get, get) getttie up, promenade

Rip it up, hit the stage

Outta my mind yeah, wanna go craze

Feeling like I wanna float around for days

She's all about it, she's getting rowdy

She like to party! So whip it shawty!

[Hook]You gotta charge, I gotta charge!

Whip it real hard, whip it, whip it real hard

Whip it real hard, whip it, whip it real hard

Whip it real hard, whip it, whip it real hard

You gotta charge, I gotta charge

Whip it real hard, whip it, whip it real hard

Whip it real hard, whip it, whip it real hard

Whip it real hard, whip it, whip it real hard

[2nd Verse]Baby you and maybe you

Need to come back to the naked room

Whip it, whip, get with it

I'll open you up like a Baby Ruth

She's getting ripped, she's getting striped

Swimming in a funk

I watch her skinny dip

You wanna feel ill, wanna get real

Wanna pop a pill feel out of control

Wanna know what I'm into though

That N2O

And cloud 9 is somewhere down below

Get on my level, look at the light show
You lay back in the way back of the Maybach or lay back on the Lazy Boy
You can pay me back with a BJ in the ?Lac here enjoy!
She?s all about it, she?s getting rowdy
She like to party! So whip it shawty!
[Hook]You gotta charge, I gotta charge!
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
You gotta charge, I gotta charge
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
[3rd Verse]Crazy youth, yeah, that trashy life
I?m getting high, I?m in my after life
Rock star no holds barred
Got new hoes sitting in old cars
And I?m feeling like the world is mine
Arms wide open
One country at a time, middle fingers up
F-ck critics, nitrous in a bottle
Bitch whip it!
[Hook]You gotta charge, I gotta charge!
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
You gotta charge, I gotta charge
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
