## Burning Spear

[Harris]The Vikings are coming  
You'd better get ready for we're having a fight  
    The longboats are coming  
It's looking like their? in the dead of the night  
    Muster the men from all the villages  
You'd better get ready to fight with your enemies  
    Beacons are burning  
I'm giving the word to get ready to fight  
    The battle is nearing  
You'd better get ready to fight for your lives

The Norsemen are coming  
The Norsemen are coming  
    The warnings are given  
The Norsemen are coming  
    Raping and pillaging  
Robbing and looting the land  
    Viking raiders from afar
