

I'm Easy

David Lee Roth

Well baby, I'm easy, I'm easy, I'm easy
I'm an easy man
Well baby, I'm easy, I'm easy, I'm easy
I'm an easy man
So come on down and get me, honey, while you can Available, available, available
I am free, I am
Available, available, available
I am free, I am
Well, I just can't help myself, I am yours to have Come, get me, baby
Get me while I'm hot
Hurry, hurry, baby
You can have a lot Push me over, push me over, push me over
I'm a pushover
Well, up for grabs, up for grabs, up for grabs
I am up for grabs
Well, I just can't help myself, I am yours to have
Hit it Come, get me, baby
Get me while I'm hot
Hurry, hurry, baby
You can have a lot Push me over, push me over, push me over
I'm a pushover, baby, yeah
Well, up for grabs, up for grabs, up for grabs
I am up for grabs
Well, I just can't help myself, I am yours to have I'm easy
Said, "I'm easy"
But I'm easy
But I'm a push over, baby
Hey, push me over, push me over
