

Smooth

Escape the Fate

Man, it's a hot one like seven inches from the midday sun
Well, I hear you whisper and the words
Melts everyone but you stay so cool My muequita, my Spanish Harlem Mona Lisa
You're my reason for reason
The step in my groove, yeah And if you said this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
'Cause you're so smooth And it's just like the ocean under the moon
And it's the same as the emotion that I get from you
You got the kind of lovin' that can be so smooth, yeah
Gimme your heart, make it real or else forget about it I'll tell you one thing
If you would leave it would be a crying shame
In every breath and every word I hear your name calling me out Out from the barrio, you hear my rhythm from
your radio
You feel the turning of the world, so soft and slow
Turning you round and round And if you said this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
'Cause you're so smooth, smooth And it's just like the ocean under the moon
And it's the same as the emotion that I get from you
You got the kind of lovin' that can be so smooth, yeah
Gimme your heart, make it real or else forget about it And it's just like the ocean under the moon
And it's the same as the emotion that I get from you
You got the kind of lovin' that can be so smooth, yeah
Gimme your heart, make it real or else forget about it
Or else forget about it, or else forget about it, or else forget about it Gimme your heart, make it real or else forget
about it
Now, oh no, oh or else forget about it
Now, oh no, oh or else forget about it
Now, oh no, oh or else forget about it
Gimme your heart, make it real or else forget about it
