

# Blood On The Leaves

## PRVIM

[Intro: Nina Simone]

Strange fruit hanging from the poplar trees

Blood on the leaves[Verse 1]

I just need to clear my mind now

It's been racin' since the summertime

Now I'm holdin' down the summer now

And all I want is what I can't buy now

Cause I ain't got the money on me right now

And I told you to wait

Yeah I told you to wait

So I'mma need a little more time now

Cause I ain't got the money on me right now

And I thought you could wait

Yeah, I thought you could wait

These bitches surroundin' me

All want somethin' out me

Then they talk about me

Would be lost without me

We could've been somebody

Thought you'd be different 'bout it

Now I know you not it

So let's get on with it[Verse 2]

We could've been somebody

'stead you had to tell somebody

Let's take it back to the first party

When you tried your first molly

And came out of your body

And came out of your body

Running naked down the lobby

And you was screamin' that you love me

Before the limelight tore ya

Before the limelight stole ya

Remember we were so young

When I would hold you

Before the blood on the leaves

I know there ain't wrong with me

Something strange is happening[Verse 3]

You could've been somebody

We could've ugh, we could've been somebody

Or was it on the first party  
When we tried our first molly  
And came out of our body  
And came out of our body  
Before they call lawyers  
Before you tried to destroy us  
How you gon' lie to the lawyer?  
It's like I don't even know ya  
I gotta bring it back to the 'nolia[Bridge]  
Fuck them other niggas cause I'm down with my niggas  
Fuck them other niggas cause I'm down with my niggas  
Fuck them other niggas cause I'm down with my niggas  
I ride with my niggas, I'd die for my...[Verse 4]  
To all my second string bitches, try and get a baby  
Trying to get a baby, now you talkin' crazy  
I don't give a damn if you used to talk to Jay-Z  
He ain't with you, he with BeyoncÃ©, you need to stop actin' lazy  
She Instagram herself like #BadBitchAlert  
He Instagram his watch like #MadRichAlert  
He only wanna see that ass in reverse  
Two-thousand-dollar bag with no cash in your purse  
Now you sittin' courtside, wifey on the other side  
Gotta keep 'em separated, I call that apartheid  
Then she said she impregnated, that's the night your heart died  
Then you gotta go and tell your girl and report that  
Main reason cause your pastor said you can't abort that  
Now your driver say that new Benz you can't afford that  
All that cocaine on the table you can't snort that  
That going to that owing money that the court got  
All in on that alimony, uh, yeah-yeah, she got you homie  
'til death but do your part, unholy matrimony[Outro]  
That summer night holding long and long, 'din long  
Now waiting for the summer rose and (breathe)  
And breathe and breathe  
And breathe and breathe  
And breathe and breathe  
And live and learn  
And live and learn  
And living and living like I'm lonely  
Lonely, lonely  
And living all I have  
And living all  
And live  
And live
