Never Gets Old (Solidisco Remix)

Penguin Prison

You could be my woman
And I'll be your man
Just a little bit longer
Till the feeling ends
If something else is happening
And you need to go
You could run around this whole place
And you'd never knowOh my, can't you let it be?
Running round again
Round and round again
No, I got somewhere to be
Running round again
Round and round againSomething better might be coming
Just a little more 'cause it never gets old
Something that you thought was over
Just a little more cuz it never gets oldYou could tell me something
You don't need to shout
But I don't need to know that
Don't freak me out
Everything is okay
Everything is fine
For just a little bit longer
Till you're out of time
