Feels So Good

Melanie B

Oh yeah (I love you baby) (oh yeah) - 3x
yipee
[Chorus:]
Oh yeah, feels so good
IÂ´m loving you, like I should
Remembering, how it feels
Letting go to have you near
Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside
This love I found wonÂ´t ever hide

LetÂ´s go from the very start
When we met you and I were inseperable
All at once we swapped our hearts
Knowin that we had it right
People got involved with us
I should have pushed them all away
Now I know what went wrong
Why did it take me so long
LovinÂ´ you, lovinÂ´ you, is the easy part
Now I know, Now I know, what to do with this
Me and you, me and you, keepin it tight
'cause two of a kind makes us so right

[Chorus]
Partnerships have ups and downs
Understand you and I are not alone
Feeling real normality
Come on, put your trust in meZ
Believe in me when I say
Everyone can keep away
Now I know what went wrong
Why did it take me so long
LovinÂ´ you, lovinÂ´ you, is the easy part
DonÂ´t know, donÂ´t know, what to do with it
Me and you, me and you, keepin it tight
'cause two of a kind

Makes us so right

[Chorus]
I know how I want you
I know how I need you
Together weÂ´ll always be
Ever after happily
Feeling free, you and me
No one can touch us now
That is how itÂ´s got to be
Each passing day, we grow stronger still
Like the after taste of a bitter pill
Keep the hurt and pain far away from me
Warm me in your glow of the ecstasy

Ladies holler if you hear me
Fellas holler if you feel me
Everybody can you see me
'cause two of a kind makes us so right

[Chorus 2x]
Oh yeah, Oh yeah, Oh yeah, Oh yeah
Yipee
I love you baby oh yeah - 3x

[Chorus]
