

Strange Design

Phish

Well I needed lest restraint before
Well I needed to hit the lights and close the door
I'm fine, I'm fine, 'cause I'm Dripping in this strange design
None is your's and far less mine
Hold the wheel, read the sign
Keep the tires off the line Just relax, you're doing fine
Swimming in this real thing I call life
But can I bring a few companions on this ride? I'm feeling, my heart's not beating anymore
Well I'm feeling, it's alright
This happened once before
I'm fine, I'm fine 'cause I'm Dripping in this strange design
None is your's and far less mine
Hold the wheel, read the sign
Keep the tires off the line Just relax, you're doing fine
Swimming in this real thing I call life
But can I bring a few companions on this ride? Dripping in this strange design
None is your's and far less mine
Hold the wheel, read the sign
Keep the tires off the line Just relax, you're doing fine
Swimming in this real thing I call life
Can I bring a few companions on this ride?
