Lotto

Hxtxg

Feels like I hit the Lotto, eh, eh, eh, eh, eh
Feels like I hit the Lotto, eh, eh, eh, eh, ehI been tryin' to win this girl for a long time
Now she finally belongs to me
Yeah, I kept playin' everyday, never gave up until I
Heard her say she'll never leaveI tell ya
She's a damn bright mind, I tail her just for show
Sexy, so fine, lookin' good from her head to toe
Just can't believe I won her heart, feels like winnin' a new car
Oh man, I hit the jackpotFeels like I hit the Lotto, eh, eh, eh, eh, eh
Feels like I hit the Lotto, eh, eh, eh, eh, ehNow that she believes, I will never leave, no
I gotta make sure I keep her trust
I won't let another woman come between us
I won't be caught up in dirty lustI tell ya, ooh, girl
Can't enough of being inside of your world
Can't help it, I'm addicted
And when we shared a special moment, I can't lie
It feels like I want her all over againFeels like I hit the Lotto, eh, eh, eh, eh, eh
(I can't lie, I can't lie)
Feels like I hit the Lotto, eh, eh, eh, eh, eh
(I love you, I love you, baby)Feels like I hit the Lotto, eh, eh, eh, eh, eh
(I can hug you, I can kiss you)
Feels like I hit the Lotto, eh, eh, eh, eh, eh
(I love you, I love you, I love you, yeah)
Feels like I hit theGirl, I can hold you, I can kiss you
Stay right here forever
Girl, I won't hurt you, I won't leave you
I'm gonna love you 'causeFeels like I hit the Lotto, eh, eh, eh, eh, eh
(And I love you, baby, love you, baby)
Feels like I hit the Lotto, eh, eh, eh, eh, eh
(And I can't even hide, I can't lie)Feels like I hit the Lotto, eh, eh, eh, eh, eh
(Can I hold you, baby, yeah)
Feels like I hit the Lotto, eh, eh, eh, eh, eh
(Can I kiss you, baby, yeah)Feels like I hit the Lotto, eh, eh, eh, eh, eh
(Stay with me forever, yeah)
Feels like I hit the Lotto, eh, eh, eh, eh, eh
(Stay with me 'cause I got you, babe, 'cause I got you, baby)Feels like I hit the Lotto, eh, eh, eh, eh, eh
([Incomprehensible])
Feels like I hit the Lotto, eh, eh, eh, eh, eh
(Oh, yeah, aye)Eh, eh, eh, eh, eh

(I'm with ya, I'm with ya, whoo)
Eh, eh, eh, eh, eh
(Come, baby, let's go)
