

# Get My Rocks Off

**Dr. Hook**

(Shel Silverstein)Some men need some killer weed, some men need cocaine

Some men need some cactus juice, to purify the brain

Some men need two women, some need alcohol

Everybody needs a little something, but Lord I need it allTo get my rocks off, get my rocks off

Get my rocks off the mountain, and roll 'em on down the hillI may do you one time, and I may do you more

I may turn you into something, that you ain't ready for

I might want your body, and I might want your bread

I might want your momma to come visit me insteadAnd get my rocks off, get my rocks off

Get my rocks off the mountain, and roll 'em on down the hillSometimes I dream of chicks, to bring me ever  
lasting joys

Sometimes I dream of animals, sometimes I dream of boys

Sometimes I kill the living, sometimes I raise the dead

Sometimes I say just screw it all, and crawl back into bedAnd get my rocks off, get my rocks off

Get my rocks off the mountain, and roll 'em on down the hill(c)1972 Tro-Essex Music Ltd.
