Cold

Julian Lennon

I've read the headlines covering your wall
A thousand lifetimes, you must have lived them all
We took our chances, I love the way you fallOver there, I see you over there
Tossed around the sun
I can feel you everywhere tonight(Don't leave me cold)
Living life without you
(Cold)
Dreams don't always come true
(Cold)
Everything we've been through
Don't leave me coldYou are the flower, growing in my hand
Hour by hour, the more I understand
A million colors of woman and a manOver there, I see you over there
Tossed around the sun
I can feel you everywhere tonight(Don't leave me cold)
Living life without you
(Cold)
Dreams don't always come true
(Cold)
Everything we've been through
Don't leave me coldOver there, I see you over there
Tossed around the sun
I can feel you everywhere tonight(Don't leave me cold)
Living life without you
(Cold)
Dreams don't always come true
(Cold)
Everything we've been through
Don't leave me coldDon't leave me cold
Living life without you
(Cold)
Dreams don't always come true
(Cold)
Everything we've been through
Don't leave me cold, don't leave me cold
