Perfect Combination

Passage

Two hearts together, were a harmony so right
Two sparks united, were a fire burning bright
For that youre always brand new
Right from the jump we had a hunch
That we had everythingPerfect combination
Lovers you and me
A perfect combination
We couldnt ask for any betterPerfect combination
We fit to a tee
A perfect combination
We know what takes to last forever, togetherSo deep inside we share a feeling thats so rare
So sweet just knowing that we are a special pair
Were right on time, were two of a kind
And heaven knows this love will grow
Stronger every dayPerfect combination
Lovers you and me
Perfect combination
We couldnt ask for any betterPerfect combination
We fit to a tee
A perfect combination
We know what takes to last forever togetherWe can conquer any mountain (Oh, baby)
Just as long as were together (Oh...oh...)
Cause as one we are an endless fountain
Overflowing with love (Hey, hey)
Perfect love (Hey...hey...hey...hey...hey..)Perfect combination (Ooh, baby, hey...)
Lovers you and me (Oh...oh...oh...)
A perfect combination (Hey...)
We couldnt ask for any better (Oh...oh...oh...), oh, noPerfect combination
We fit to a tee
A perfect combination
We know what takes to last forever, oh...oh...Perfect combination (Perfect, perfect, yeah...combination)
Lovers you and me (Lovers you and me, yeah)
A perfect combination
We couldnt ask for any better (Hey...hey...hey...), no, noBaby, yeah
(Yeah)
Ooh...
(You and me, yes, just you and me, yeah...) BabyPerfect combination
Lovers you and me
A perfect combination

We couldnt ask for any better
