Golden Eye

IcÃ´nes Gays

See reflections on the water
more than darkness in the depths
see him surface in every shadow
on the wind I feel his breath

Goldeneye I found his weakness
Goldeneye he'll do what I please
Goldeneye no time for sweetness
but a bitter kiss will bring him to his knees

You'll never know how I watched you
from the shadows as a child
you'll never know how it feels to be the one
who's left behind
You'll never know the days, the nights,
the tears, the tears I've cried
but now my time has come
and time, time is not on your side

See home move through smoke and mirrors
feel his presence in the crowd
other girls they gather around him
if I had him I wouldn't let him out

Goldeneye not lace or leather
Golden chains take him to the spot
goldeneye I'll show him forever
it'll take forever to see
what I've got

You'll never know how I watched you
from the shadows as a child
you'll never know how it feels to be so close
and be denied
It's a gold and honey trap
I've got for you tonight
Revenge it's a kiss, this time I won't miss
now I've got you in my sight
With a Goldeneye, golden, goldeneye
with a goldeneye, goldeneye.
