Take A Look

Irma Thomas

Take a look at this heart,
it's the one i'm gonna use to love you.
Take a look at these arms. This the arms am gonna use to hug you
look at these eyes this are the eyes that will haunt you
take a look at this girl, she is the girl that wants youTake a look at my feet they gonna walk up to your door
Take a look at this hand take a look at this fist
Its gonna knock like never before.
Look at this lips they're gonna kiss u and I know they'll haunt you.
Take a look at this girl I'm the girl that wants you
Take a look at that ring that u see lying there in the window,
Take a look at that poor little empty spot on my third finger
If you wanna see someone who's gonna be happy as can be
Take a look at me
Take a look at me
Take a look at me.Take a look at this heart,
it's the one i'm gonna use to love you.
Take a look at this arms; take a look at this arms
they're the arms I'm gonna use to hug you.
Take a look at this lips they gonna kiss you and I know they'll haunt you.
take a look at this girl I am the girl that wants you
Come on take a look at this girl am the girl that wants u
take a lok at this girl am the girl that wants u
Come on and take another look at this girl I'm the girl that wants you
Come on pretty baby look at this girl, am the girl that want you
take a look at this girl am the girl that wants you
