

Wish You Were Here

[Rednex](#)

Wish you were here, me, oh my countryman, wish you were here
Wish you were here, don't you know the stove is getting colder
And I miss you like hell and I'm feeling blueWish you were here, me, oh my countryman, wish you were here
Wish you were here, don't you know the stove is getting colder
And I miss you like hell and I'm feeling blueI've got feelings for you, babe, do you still feel the same
From the first time I laid my eyes on you
I felt joy of living, I saw Heaven in your eyes, in your eyesWish you were here, me, oh my countryman, wish
you were here
Wish you were here, don't you know the stove is getting colder
And I miss you like hell and I'm feeling blueI miss your laugh, I miss your smile, I miss everything about you
Every second's like a minute, every minute's like a day
When you're far awayWish you were here, the stove is getting colder, baby
I wish you were here
Wish you were here a battlefield of love and fear
And I wish you were hereI've got feelings for you, babe
From the first time I laid my eyes on youWish you were here, me, oh my countryman, wish you were here
Wish you were here, don't you know the stove is getting colder
And I miss you like hell and I'm feeling blue
