Don't Wanna Fall in Love

Green Day

Don't want to have you hanging
Around me like a leech
I think your just a problem
So stay the hell away from me
Because I don't believe in you
And I want to sit here all my life alone
This may sound a little rough
Don't want to fall in loveDon't need security
I ain't no dog without a bone
Don't have no time for love
So stay the fuck away from me
Because I don't believe in youAnd I want to sit here all my life alone
This may sound a little rough
Don't want to fall in love
This may sound a little fucked
Don't want to fall in love
