Ship Of Fools

Ron Sexsmith

Famous disappearing act
Kills 'em every time
The willing subject sneaks out back
And leaves her space behindLife is not a parlor trick
There's no slight of hand
Just tryin' to save the sinking ship
And there's no sight of landWe are all in the same boat, darlin'
On the same rough sea
We are all in the same boat, darlin'
The ship of fools it seemsthere's no good news in the news
Only bad news papers
As black humor stands amused
At the plight of human natureStill a lot of good in the world
No matter what they say
And when the darkness comes unfurled
There's a light that was built to stayWe are all in the same boat, darlin'
On the same rough sea
We are all in the same boat, darlin'
The ship of fools it seemsOptimists and realists
And cynics all agree
That we are all in this
Together whatever will beOh, we are all in the same boat, darlin'
On the same rough sea
We are all in the same boat, darlin'
The ship of fools it seemsWe are all in the same boat, darlin'
On the same rough sea
We are all in the same boat, darlin'
The ship of fools it seems
The ship of fools it seems
