

I Wanna Dance [But I Don't Know How]

Skaters

I wanna dance, but I don't know how
I wanna dance, but I don't know how
Little feet, on the floor
I know I've seen you here before
It don't come, every day
I don't wanna let it slip awayI don't know what to do
I don't know what to do
I don't know what to do
To prove I've got this thing for youI don't know what to do
I don't know what to do
I don't know what to do
To prove I've got this thing for youI wanna dance, but I don't know how
I wanna dance, but I don't know how
But I'll tryLittle girl
What's your name?
Will I ever see you here again?
Pirouette, what a show
You know something I'll never knowI don't know what to do
I don't know what to do
I don't know what to doI wanna dance, but I don't know how
I wanna dance, but I don't know how
I wanna dance, but I don't know how
I wanna dance, but I don't know how
