>From knowledge is born

My word is bond

>From dawn to dawn

[Culture Freedom echoes]

To dawn

[Wise Intelligent]

I could go on

To infinite states

The temple is great

I'm plantin' da bait

[Culture Freedom echoes]

da bait  
[Wise Intelligent]  
Awaitin' the snakes  
[Culture Freedom echoes]  
The snakes  
[Wise Intelligent]  
The physical eye  
Detecting the wise  
Beginning to rise  
So take a look at the Gods!!  
Built the blacks  
All that attack  
perceive the beats  
but the Wise is all that  
Tell me what's up  
You want to take my square  
I'm like "Who, What, When, Where?"  
We can do this n' get it done  
Face to face  
Pocket the pipe punk  
Stop poppin' da base  
Let the lord proceed  
take heed ta what's right  
As I feed the greed  
Indeed...I bust the mic.  
I'm blowin n' glowin  
and growin' n' going for mine.  
I slow wit da flow  
n' show n' prove in da ryhme  
Cuzz I'm the king I quote  
??????? Wise Intelligent  
G-O-D I'm god is short for spellin' it  
Tamper wit god indeed I mentally beat cha'

[Wise Intelligent]  
And you know that  
[Culture Freedom]  
Then do that Verse 2  
[Wise Intelligent]

Check as the Wise get going  
The thoughts are flowin'  
Alone the marvelous god  
is mackin' da microphone  
I'm wearin' out n' tearin' it up

The snakes are jealous  
Yeah but so what  
Gimme some room some physical space

The capital "G"  
Wise god is in da place  
Teachin' the poor  
Cuzz I'm the chief speaker  
Turn it around

**GET DOWN POOR RIGHTEOUS TEACHER!!!**

I'ma level above all the brothers that disrespect  
If your name is on my list believe it's checked  
The king I quote I believe has made his mark
