

Idioteque (Live in Oxford)

Radiohead

Who's in a bunker, who's in a bunker?
Women and children first and the children first and the children I'll laugh until my head comes off
I'll swallow till I burst
Until I burst until I Who's in a bunker who's in a bunker?
I have seen too much I haven't seen enough
You haven't seen it I'll laugh until my head comes off
Women and children first and the children first and the children Here I'm alive
Everything all of the time
Here I'm alive
Everything all of the time Ice age coming ice age coming
Let me hear both sides let me hear both sides let me hear both Ice age coming ice age coming
Throw it in the fire throw it in the fire throw it on the We're not scaremongering
This is really happening happening
We're not scaremongering
This is really happening happening Mobiles squeaking mobiles chirping
Take the money run take the money run take the money Here I'm alive (the first of the children)
Everything all of the time (the first of the children)
Here I'm alive (the first of the children)
Everything all of the time (the first of the children) Here I'm alive (the first of the children)
Everything all of the time (the first of the children)
Here I'm alive (the first of the children)
Everything all of the time (the first of the children) (The first of the children)
