Happiness (Dave AudÃ© Remix) [Radio Edit]

Alexis Jordan

I gotta turn this car around
I never should have left you there
Boy this traffic is making me sick
Boy I can't wait to have you nearI gotta hurry, hurry, hurry
Now quick, quick, quick
Just step on the gas 'cause I don't wanna miss this
This opportunity will only come once in my life, my lifeI gotta hurry, hurry, hurry
Now quick, quick, quick
Just step on the gas 'cause I don't wanna miss this
See what you're bringin' me boy is priceless
I gotta be out of my mind not to try thisThrough strength I found love
In time I found myself in happiness with you
Through strength I found love
In time I found myself in happiness with youBoy, I need to say what's in my heart
I was scared but I'll do my part
I came back to tell you face to face
So what we have won't go to wasteI gotta hurry, hurry, hurry
Now quick, quick, quick
Just step on the gas 'cause I don't wanna miss this
This opportunity will only come once in my life, my life yeahSorry, sorry, sorry, I'm coming down to fix this
You should know how I feel, I know I got you twisted
See what you're bringin' me boy is priceless
I gotta be out of my mind not to try thisThrough strength I found love
In time I found myself in happiness with you
Through strength I found love
In time I found myself in happiness with youThe things that you can give to me
I can feel it when you're holding me close
You're like one of the world wonders
I know I'm going underCome see that I'm ready for this
And you're so good for me
You're my true joy
You make me wanna sayThrough strength I found love
In time I found myself in happiness with you
Through strength I found love
In time I found myself in happiness with you
