

# Talking To The Moon

**Bruno Mars**

I know you're somewhere out there  
Somewhere far away  
I want you back  
I want you back  
My neighbors think I'm crazy  
But they don't understand  
You're all I have  
You're all I have  
At night when the stars  
Light on my room  
I sit by myself  
Talking to the moon, tryin' to get to you  
In hopes you're on the other side talking to me too  
Oh, am I a fool who sits alone talking to the moon  
I'm feeling like I'm famous  
The talk of the town  
They say I've gone mad  
Yeah, I've gone mad  
But they don't know what I know  
'Cause when the sun goes down  
Someone's talking back  
Yeah, they're talking back  
At night when the stars  
Light on my room  
I sit by myself  
Talking to the moon, tryin' to get to you  
In hopes you're on the other side talking to me too  
Oh, am I a fool who sits alone talking to the moon  
Do you ever hear me calling?  
'Cause every night  
I'm talking to the moon, still tryin' to get to you  
In hopes you're on the other side talking to me too  
Oh, am I a fool who sits alone talking to the moon  
I know you're somewhere out there  
Somewhere far away
