

Cvantez

Spoon

Carolina's cheap
Oh, she kneels down down
Goes around on a coffin all night But to me, well, she's nowhere now
She'll be nowhere tomorrow morning
When you smashed all the
Smashed all the Cvantez, Cvantez, Cvantez
Cvantez, Cvantez, Cvantez She's not down with the revolution
She's not hip and part of the nation Cvantez, Cvantez, Cvantez
Cvantez, Cvantez, Cvantez She's not down with the revolution
She's not hip and part of the nation
