## Speakers

Man, I'm lovin' this club  
The DJ is showing me love  
Recognize the haters watch me  
Flashing lights on the paparazzi  
Live all night, don't try to stop me  
Put me in a picture, then try to crop me  
Can't be broken, no fragile boss mate  
Keon is here, no need for copies (copies, copies, copies)  
No need for copies Just give me that bass, bass, bass  
Just give me that bass  
Just give me that bass, bass, bass  
Just give me that bass  
Just give me that bass  
Just give me that bass  
Just give me that bass  
Just give me that bass Shawty, she be workin' to the bass

You hatin' cause your album flopped  
T-t-t-turning heads in the parking lot  
(?) make the girls go crazy

Says she wanna have my baby  
You wanna take a ride in my mercedes?  
Everybody (?) go crazy  
Give me that bass then pay me, pay me  
Give me, give me that bass then pay me, pay me Just give me that bass, bass, bass
