

Mask

Iggy Pop

You're wearing a mask
You're wearing a mask
You're wearing a mask
You look better that way You're wearing a mask
You're wearing a mask
You're wearing a mask
You look better that way Are you my friend?
Are you my plumber?
Are you my God?
What do you do? Wearing a mask
You're wearing a mask
You're wearing a mask
Which mask are you?
Which mask are you? Complicated, crushed up, disappointed
Squirring, angry, thrusting, stabbing, regretting, starving
Greedy human alien being, struggling down the street
Up the alley, in the elevator, through the party
To the office, in the bedroom, on your way to the morgue Bullshitting, lying, doing a good deed or feeling loved
barely possible
Aware of insatiable demands of not a society all around you
Chunky frat boys in their shorts, pimps with old Semite eyes
Sex hoochies of the jungle, sensitive smart Alec college graduates Critics fronting frantically in New York city,
every body in L.A.
Just plain licking ass or having it licked
Irony in place of balls, balls in place of brains
Brains in place of soul, where is the soul?
Where is the love, where am I? Which mask are you?
Which mask are you?
Which mask are you? You're wearing a mask
You're wearing a mask
You're wearing a mask
Which mask are you?
