

Since You've Been Gone (2016 Remastered)

Day26

I know this might sound crazy
But I don't know what I did
To make you wanna leave
You think we've been here before
I say I'm sorry, you come back
I do it again
And then you back
But girl it's different now
See every time we had it out
You would go to the door
I chase behind you
When I talk you're back right to the floor
You say that you needed time
Could you get back to me
And let me know how long you need
'Cause I can't take it no more 'Cause since you've been gone
I just can't seem to get right
And I miss you more than you'll ever know
Girl I just want a chance to talk to you
Let you know that I've changed
Since you been gone
I stay awake all night
This bed just ain't the same
Without you here
I felt like I was alone
Since you've been gone
Since you've been gone from me (let me talk to her) You can't expect for me
To let it go that easily
One day were making plans
And the next day girl you leaving me
Okay so I'm a jerk
I know I made you hurt
I know your girlfriend was right
I got what I deserved
I know the last time
You said it was the last time
But baby all I need
Is one more last time
I'll make the best of it

I'll stop all my bull-shit
And I'll become the man
You always said you wanted 'Cause since you've been gone
I just can't seem to get right
And I miss you more than you'll ever know
Girl I just want a chance to talk to you
Let you know that I've changed
Since you been gone
I stay awake all night
This bed just ain't the same
Without you here
I felt like I was alone
Since you've been gone
Since you've been gone from me (let me talk to her) Oh oh oh oh
Oh oh oh
Girl all that really means is I just miss you
Girl you got me saying
Oh oh oh oh (oh oh)
Oh oh oh
Girl I can't take this no more
I'm missin' you oh since you whoa 'Cause since you've been gone (oh oh oh)
I just can't seem to get right (i can't get right)
And I miss you more than you'll ever know (more than you'll ever know)
Girl I just want a chance to talk to you (more than you'll ever see)
Let you know that I've changed (whoa whoa)
Since you been gone (I've stayed awake)
I stay awake all night (lyin' in my bed)
This bed just ain't the same (I'd rather be there)
Without you here (than with out you here)
I felt like I was alone
Since you've been gone (hey)
Since you've been gone from me (hey) Oh oh oh oh
Oh oh oh Oh oh oh oh
Oh oh oh
