Craziest Things

Cheryl

We say the craziest things
We say the craziest things
Like I love you, hate you,
Don't need you, fuck you
I don't ever wanna see you again
We say the craziest things
We say the craziest things
Like I love you, need you,
Want you or hate you
Don't ever come back againWe say the
I love you much
I hate your guts
You the love of my life
You always on my mind
Girl, you get on my last nerves
'Cause all we do is fuss and fight
Girl I hate ya', I love you
Put no-one above you
Baby you're my superstarDon't need me
I need youThought this is your freedom
And go to what you wanna' doWe say the craziest things
We say the craziest things
Like I love you, hate you,
Don't need you, fuck you
I don't ever wanna see you again
We say the craziest things
We say the craziest things
Like I love you, need you,
Want you or hate you
Don't ever come back againI love your lust
But boy you're off
You think the sun shines outta your ass
And make me laugh and then
You make me cry again
You make me scream
And then I lose my classWe say the cray
We say the crayWe say the craziest things
We say the craziest things
Like I love you, hate you,

Don't need you, fuck you
I don't ever wanna see you again
We say the craziest things
We say the craziest things
Like I love you, need you,
Want you or hate you
Don't ever come back again
