I Remember Nothing

Joy Division

We were strangers
We were strangers
For way too long, for way too long
We were strangers
For way too long
Were strangersGet weak all the time, may just pass the time
Me in my own world, yea you there beside
The gaps are enormous, we stare from each side
We were strangers for way too longViolent, more violent, his hand cracks the chair
Moves on reaction then slumps in despair
Trapped in a cage and surrendered too soon
Me in my own world, the one that you knewWe were strangers
We were strangers, for way too long
For way too long
