

Falling Autumn

Alayna

Baby, I'm running round on empty
Fill me up, fill me up
All the lights too bright for me lately
Turn it down, turn it down And when the city beats too loud
And I just can't drown it out
You bring me clarity So won't you stay 'til morning and treat me good?
Ooh, stay 'til morning and treat me good, yeah
Ooh, stay 'til morning and treat me good
And I'll treat you good too Close the door, throw your day on the floor
Let it out, let it out
Falling hard, expose your soul
Now I know, now I know
But when the city beats too loud
And I just can't drown it out
You bring me clarity
Oh and I just want someone close to me So won't you stay 'til morning and treat me good?
Ooh, stay 'til morning and treat me good, yeah
Ooh, stay 'til morning and treat me good
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too There's nothing worse than getting lost
But nothing better to get lost with somebody, oh
So won't you do that with me?
So won't you do that with me? Oh, yeah
So won't you do that with me? Yeah, woah
So won't you stay 'til morning and treat me good?
Ooh, stay 'til morning and treat me good, yeah
Ooh, stay 'til morning and treat me good
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too So won't you stay 'til morning and treat me good?
And I'll treat you good too
And I'll treat you good too
And I'll treat you good too
