Umm Hmm

Erykah Badu

Take some time to let your feelings show
You can't hide, you can't hide
Sky's the limit, let me really know
You can't hide, you can't hide
Come down, baby, let me know
Umm hmm
I love how you make me feel
Umm hmm
Let's jump off into your world
Umm hmm
Hearts lead, baby, it's your deal
Umm hmm
Thump, thump, I've been hit before
Umm hmm
Don't cheat, I been taking score
Umm hmm
Take some time to let your feelings show
You can't hide, you can't hide
Sky's the limit, let me really know
You can't hide, you can't hide
Come down, baby, let me know
Umm hmm
I love how you make me feel
Umm hmm
You came to drop into my world
Umm hmm
Hearts lead, baby, it's your deal
Hmm
Thump, thump, I've been hit before, oh, oh
Umm hmm
Don't cheat, I been taking score
Oh, ohh
Take some time to let your feelings show
You can't hide, you can't hide
Sky's the limit, let me really know
You can't hide, you can't hide
Umm hmm
I know, I know, I know you care for me
Umm hmm

'Cause you can't get away
Umm hmm
I'm tryin' to sympathize with you pimpin'
Umm hmm
Don't play with me, play, do I look like a play thing?
Umm hmm
Boy, you know the drill
Umm hmm
'Cause the feelin's real
Umm hmm
Take some time to let your feelin's show
You can't hide, you can't hide
Sky's the limit, let me really know
You can't hide, you can't hide
Take some time to let your feelin's show
You can't hide, you can't hide
