

Wasted (feat. Wyclef Jean) (Remix)

Cartel

It's 2:45 the baby takes his first breath
The mother never knew he only had a few left
The father gets a call in the middle of the night
His breath gets short and his chest gets tight But he's sixteen and he's driving too fast
Takes a turn to the left, it would be his last
The body knows what happens if he turns to the right
The body in the car wouldn't die that night But he's thirty two and invincible
The cancer he had it was visceral
He never saw it coming
Thought he had his whole life
Sick in the morning and he died in the night We're all so
We're on the line
We're all, we're all
We're wasted, no no no
We're all wasted
We're wasted, no no
We're all wasted He's seven years old, got his bat in his hand
He's looking for his father and he doesn't understand
Cause dad's too busy he's got some deals on the way
His son sits alone as the children play And he's eighteen he couldn't wait to move out
His parents wonder what all the rush is about
They never bothered with his dreams only thinking of theirs
Wonder's why he doesn't call and why he doesn't care But he's thirty two and invincible
Everything he is based on principle
He never had a truly happy moment in his life
He didn't want the kids and he didn't want his wife We're wasted, no no no
We're all wasted
We're wasted, no no
We're all wasted
We're wasted
We're all wasted
We're all wasted, no no
We're all wasted Twenty three now, got his life in his hands
He's looking all around and he doesn't understand
Cause life's too busy, things get in the way
We all feel alone every single day Eighteen couldn't wait to move out
It's been five years and now he's starting to doubt
Whether all my dreams are just aimless stares
Looking out to someplace that isn't there When I'm thirty two will I be miserable

With everything around based on principle
Well, I had a clue, wouldn't it be nice
To never be alone in this wasted life We're wasted, no no no
We're all wasted
We're wasted, no no no
We're all wasted
We're wasted
We're all wasted
We're wasted, no no
We're all wasted
