

# I Love You More

RenÃ© & Angela

I love you more, love you more  
Love you more, love you moreI love you more  
    Than every wave that breaks upon  
        Some far and distant  
    Lonely island shoreI love you more  
        Than every drop of rain that falls  
        With every drop that falls  
I love you moreAt night I watch the moon on high  
    And count the stars up in the sky  
        For every star that shines tonight  
My love for you is just as brightI love you more  
    Forever I'll be true to you  
I know, you'll always love me true  
    Forever more  
(Ever more)At night I watch the moon on high  
    And count the stars up in the sky  
        For every star that shines tonight  
My love for you is just as brightI love you more  
    Forever I'll be true to you  
I know, you'll always love me true  
    Forever more  
(Ever more)
